

Modular Drawer Systems

Excel (India) Inc. introduces the clever and attractive plastic modular drawer systems for office and corporate comfort. Beautiful, stable and versatile as an individual unit on the desk to organise stationery as well as ideal filing system.

The cabinet is designed with central locking system, having standard modules for four different drawer sizes which are interchangeable within the same cabinet as per requirement. Multiple cabinets can be stacked side by side or on top of each other using interlocks provided.

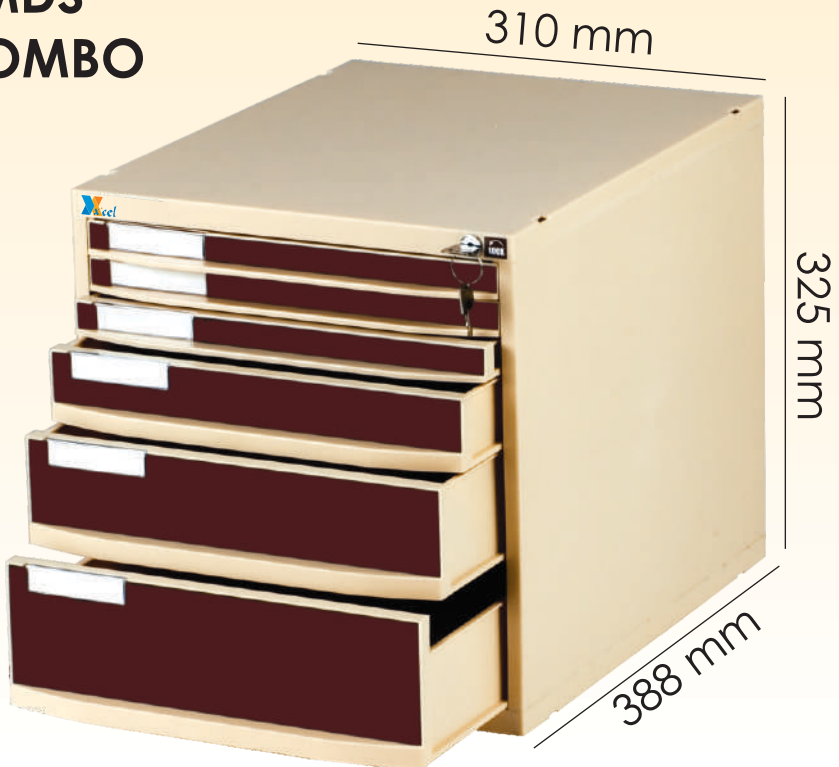

Ideal usage :

Office | Students | Workshops | Hospitals |
Banks | Institutions | Shops | Showrooms
